

ZiwiPeak Feeding Guide

It is important to feed just the right amount of ZiwiPeak 'Cuisine' - dependent on the weight of your cat or dog. The feeding guide below has been created in conjunction with veterinary researchers to provide just the right levels of energy and nutrients per gram of animal weight.

Feed ZiwiPeak air-dried or moist 'Cuisine' to your pet on a daily basis using the portion guide below.

Please remember to not over feed.

* Approximate guide - amounts shown depend on climate, animals age and level of exercise. A measuring scoop is provided in each pouch of Daily Dog or Daily Cat Cuisine food.
